Catalog for each species will be posted online prior to the auction. Photos of lots for select species will be available to buyers prior to the auction.

Message concerning COVID-19

FHA will implement all applicable Ontario Ministry of Health guidelines for prevention of COVID-19. Please note that there are no active cases of COVID-19 in the North Bay district.

We were hopeful when picking the dates for this August auction that the world's COVID-19 issues would have subsided. As we all know, this has not been the case and our wish to have you all attend cannot happen. This being said, we hope that those of you that cannot attend in person will consider giving orders to those brokers who are able to attend. We can provide a list of brokers registered for the auction to anyone interested.

All of us here at FHA wish you well and thank you for your support during these difficult times.
