
CASTOREUM PRICE EXPECTED TO INCREASE

December 5, 2016

Fur Harvesters Auction Inc. predicts the price paid for castoreum in 2017 will increase as demand for castoreum remains strong. With accounts around the world, FHA remains the market leader in obtaining the highest price paid for this product. We encourage our shippers to harvest this important beaver by-product. Information on proper handling of castoreum can be found on our website at the following link:
