

July 8, 2020

Fur Harvesters Auction Inc. has scheduled our next auction for the end of August. We will be on show from August 27th thru to 29th and selling will be 30th -31st. It would be refreshing news that by late July or early August that international travel can resume and Canada's borders would be open to all our customers and friends. However this is not the case as of this moment.

Currently only Canadian customers can travel freely to North Bay without restriction. If this situation remains as we approach our selling dates we will carry forward with a live auction.

In this case we ask all of our customers unable to attend due to travel restrictions to please contact FHA if you have questions or are requesting information regarding the recommendation of a broker. We have a very strong offering of fresh wild goods and we are intent on selling.

It is our hope with the trade's support we will be able to sell a quantity of goods in August and get our trade back on track. It has been an unprecedented year of trouble and turmoil for everyone and we pray that the next couple of months bring about the much needed positive turn around that we have been waiting for.

Until then all of us here at Fur Harvesters Auction Inc. wish you a SAFE and pleasant summer.

Respectfully,

Mark Downey  
Chief Executive Officer  
Fur Harvesters Auction Inc.
