ALBERTA PICKUP SCHEDULE

Fur Harvesters Auction Inc is now offering a fur pickup service directly to trappers through the Alberta Trappers Association Depot in Westlock. Arrangements can also be made to have trapping supplies delivered from the ATA store when the pickup is made.

Trappers must have a minimum of either 10 coyotes or a mixed bag of 25 pelts to qualify for pick up.

The service area will extend generally west, southwest and south of Edmonton between Hwy's 16, 22 and Queen E. Then northeast, east and southeast in the area of Hwy's 28, 16 and 24.

This will make it more convenient for trappers to utilize FHA to market their fur.
