

## June 21, 2005 Auction Results

Prices shown in U.S. Dollars

Fur Harvesters Auction ended the 2004/2005 season with its June 21<sup>st</sup> sale. The following results reflect a spring collection and small offering. As always, we sold where we could at our marks and held goods where we felt the prices were too low. It is always our intention to sell so our shippers can realize a return for their efforts, but also to protect them. We expect the 2005/2006 season to maintain the February and May 2005 price levels for seasonable goods. From the staff and management of FHA, please accept our sincere thanks for your confidence in shipping to our trapper owned auction house. We hope to see many of you this summer as we start the convention circuit. Please take note of our summer hours: Monday to Thursday: 8:00 am to 4:00 pm, closed Fridays. Have a great summer!
