

SALE RESULTS – June 23, 2015
PRICES SHOWN IN US DOLLARS

This end of season sale is our premier wolf, wolverine and bear auction. We do offer a small graded assortment of other species, mainly of which are unsold held over lots from previous auctions. Our wolf and wolverine collection was exceptional as we had not offered these items since January. Very strong selling price levels as well as clearances were realized on both these items.

Fur Harvesters Auction continues to be the leader in the Castoreum market having sold at the highest levels and 100% clearances.

Wishing you all a wonderful summer and looking forward to serving you next year.
