

RANCH MINK SALE RESULTS – JULY 19 - 23, 2021

PRICES SHOWN IN US DOLLARS

Fur Harvesters Auction Inc is pleased to announce its July 19-23 Ranch Mink auction results. The 3rd section & breeders sold well to current market conditions, with clearances of 64% to 100%. Regular section goods showed some resistance on certain color phases. Heavy Short / Extra Short naps did not perform as well as we had expected due to ever changing market demand. We believe these better quality/colored mink will show strength in the near future. As market conditions/demand return to normalcy.

Fur Harvesters Auction would like to thank all shippers and buyers for their continued support and look forward to doing business again in the future.
