FUR HARVESTERS WISCONSIN OPERATION UPDATE

Since the passing of Greg Schroeder, a great man and valued member of the FHA family, we have been working to find a replacement to head up the operation in Wisconsin. Until we find the right person Greg's son Eric is overseeing it and along with several long time valued seasonal employees the operation is being handled. Eric has very strong working knowledge of all aspects of the operation and worked with his dad for decades.

Rest assured that it is business as usual at our Cambridge facility and the posted routes will run as stated. Fur collected in Cambridge will be shipped to North Bay for auction as always.

The warehouse is open Monday to Friday and the contact info is as follows:

Wisconsin Facility 608 423 4814

Eric Schroeder Cell 608 225 9153

We thank all our loyal shippers for their patience and understanding as we work at finding a suitable person to head up this operation.
