

## SALE RESULTS – JANUARY 9, 2013

PRICES SHOWN IN US DOLLARS

Fur Harvesters Auction Inc. just concluded its largest and most successful opening fur auction. In keeping with tradition, North Bay once again was the first to hold an international wild fur auction starting off the season and setting the market with strong levels on all species.

We had a very large number of buyers attending from China and there is no question who is driving the market. Chinese buyers dominated all day. Buyer attendance was the highest on record for our season opening sale. It is evident that this season is shaping up to be another one for the record books.

Top lot of Beaver was purchased by Alaska Raw Fur, USA.  
Top lot of Muskrat was purchased by Almar Fur Hat, Montreal, Canada.
