

SALE RESULTS – MAY 25 & 26, 2016

PRICES SHOWN IN CANADIAN DOLLARS

FHA's May 2016 sale produced mixed results. While clearances on most species were quite good, prices continued to lag behind desirable levels. FHA sold where we could, but held the line on coyotes and better quality lynx cats, both of which are now in limited supply. Sables, lynx and taxidermy items sold quite well in relation to the current market.

We would like to thank both our shippers and buyers for their support in this difficult season, and look forward to improving market conditions for all in the coming season. We wish you the best for a safe and enjoyable summer.
